

Step 1:

Find the Add License option in the Help menu.

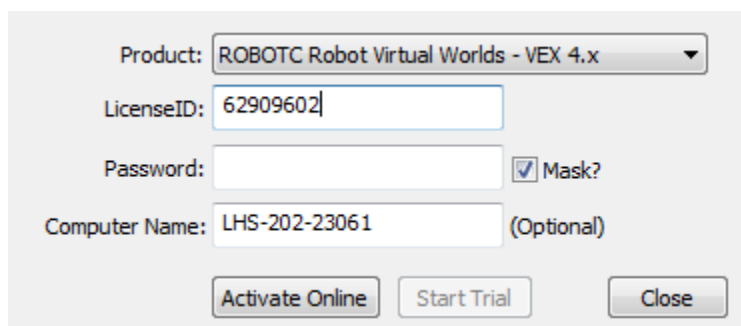

Step 2:

Choose the option shown below:

A screenshot of a license selection dialog box. It contains the following fields and options: 'Product:' with a dropdown menu; 'LicenseID:' with a dropdown menu showing three options: 'ROBOTC for LEGO MINDSTORMS 4.x', 'ROBOTC Robot Virtual Worlds - LEGO 4.x', and 'ROBOTC Robot Virtual Worlds - VEX 4.x' (highlighted with a blue selection bar and a mouse cursor); 'Password:' with a text input field and a checked 'Mask?' checkbox; 'Computer Name:' with a text input field containing 'LHS-202-23061' and '(Optional)' text; and three buttons at the bottom: 'Activate Online', 'Start Trial', and 'Close'.

Step 3:

Enter our school's License ID: **62909602**

A screenshot of the same license selection dialog box as in Step 2. The 'LicenseID:' dropdown menu is now closed, and the text '62909602' has been entered into the text input field next to it. All other fields and buttons remain the same as in the previous screenshot.

Step 4:

Ask Mr. Helland to enter the Password for you:

Product: ROBOTC Robot Virtual Worlds - VEX 4.x

LicenseID: 62909602

Password: *****(masked) Mask?

Computer Name: LHS-202-23061 (Optional)

Buttons: Activate Online, Start Trial, Close

If Mr. Helland is currently busy, then visit the following activity:
